VOLKSGEIGE METAKONZERT Giovanni Pietro Orefice aout - sept. 2024

Questo Metaconcerto per violino Folk si sviluppa sui tre tempi del sesto Brandeburghese con tutti i suoi canoni esplicitati (molto pesante a causa dei 3 violoncelli e improbabile da suonare grazie alle sue sei viole da braccio soliste). Si dimena tra Folk di vari paesi, vecchio Jazz e qualche scorribanda classica. Una antologia biografica, che rovescia anche l'archetipo del memorabile-memorizzabile: suonatelo pure con lo spartito e con tutta la libertà tipica del Jazz e del Folk.

This Metaconcerto for Folk violin was developed on the three movements of the Brandenburg sixth with all its canons explicited (very heavy due to the 3 cellos and unlikely to play thanks to its six solo violas). He wriggles between Folk from various countries, old Jazz and some classical forays. It is a biographical anthology, which also overturns the archetype of the memorable-memorized pieces: play it reading the score and with all the freedom typical of Jazz and Folk's music.

Ce Métaconcerto pour violon Folk se développe sur les trois mouvements du sixième Brandebourgeois avec tous ses canons explicités (très lourd à cause des 3 violoncelles et peu jouable grâce à ses six altos solos). Il s'épanouit entre Folk de divers pays, vieux Jazz et quelques incursions classiques. Une anthologie biographique, qui bouleverse aussi l'archétype du mémorable-mémorisable : jouez-le avec la partition et avec toute la liberté typique du Jazz et du Folk.

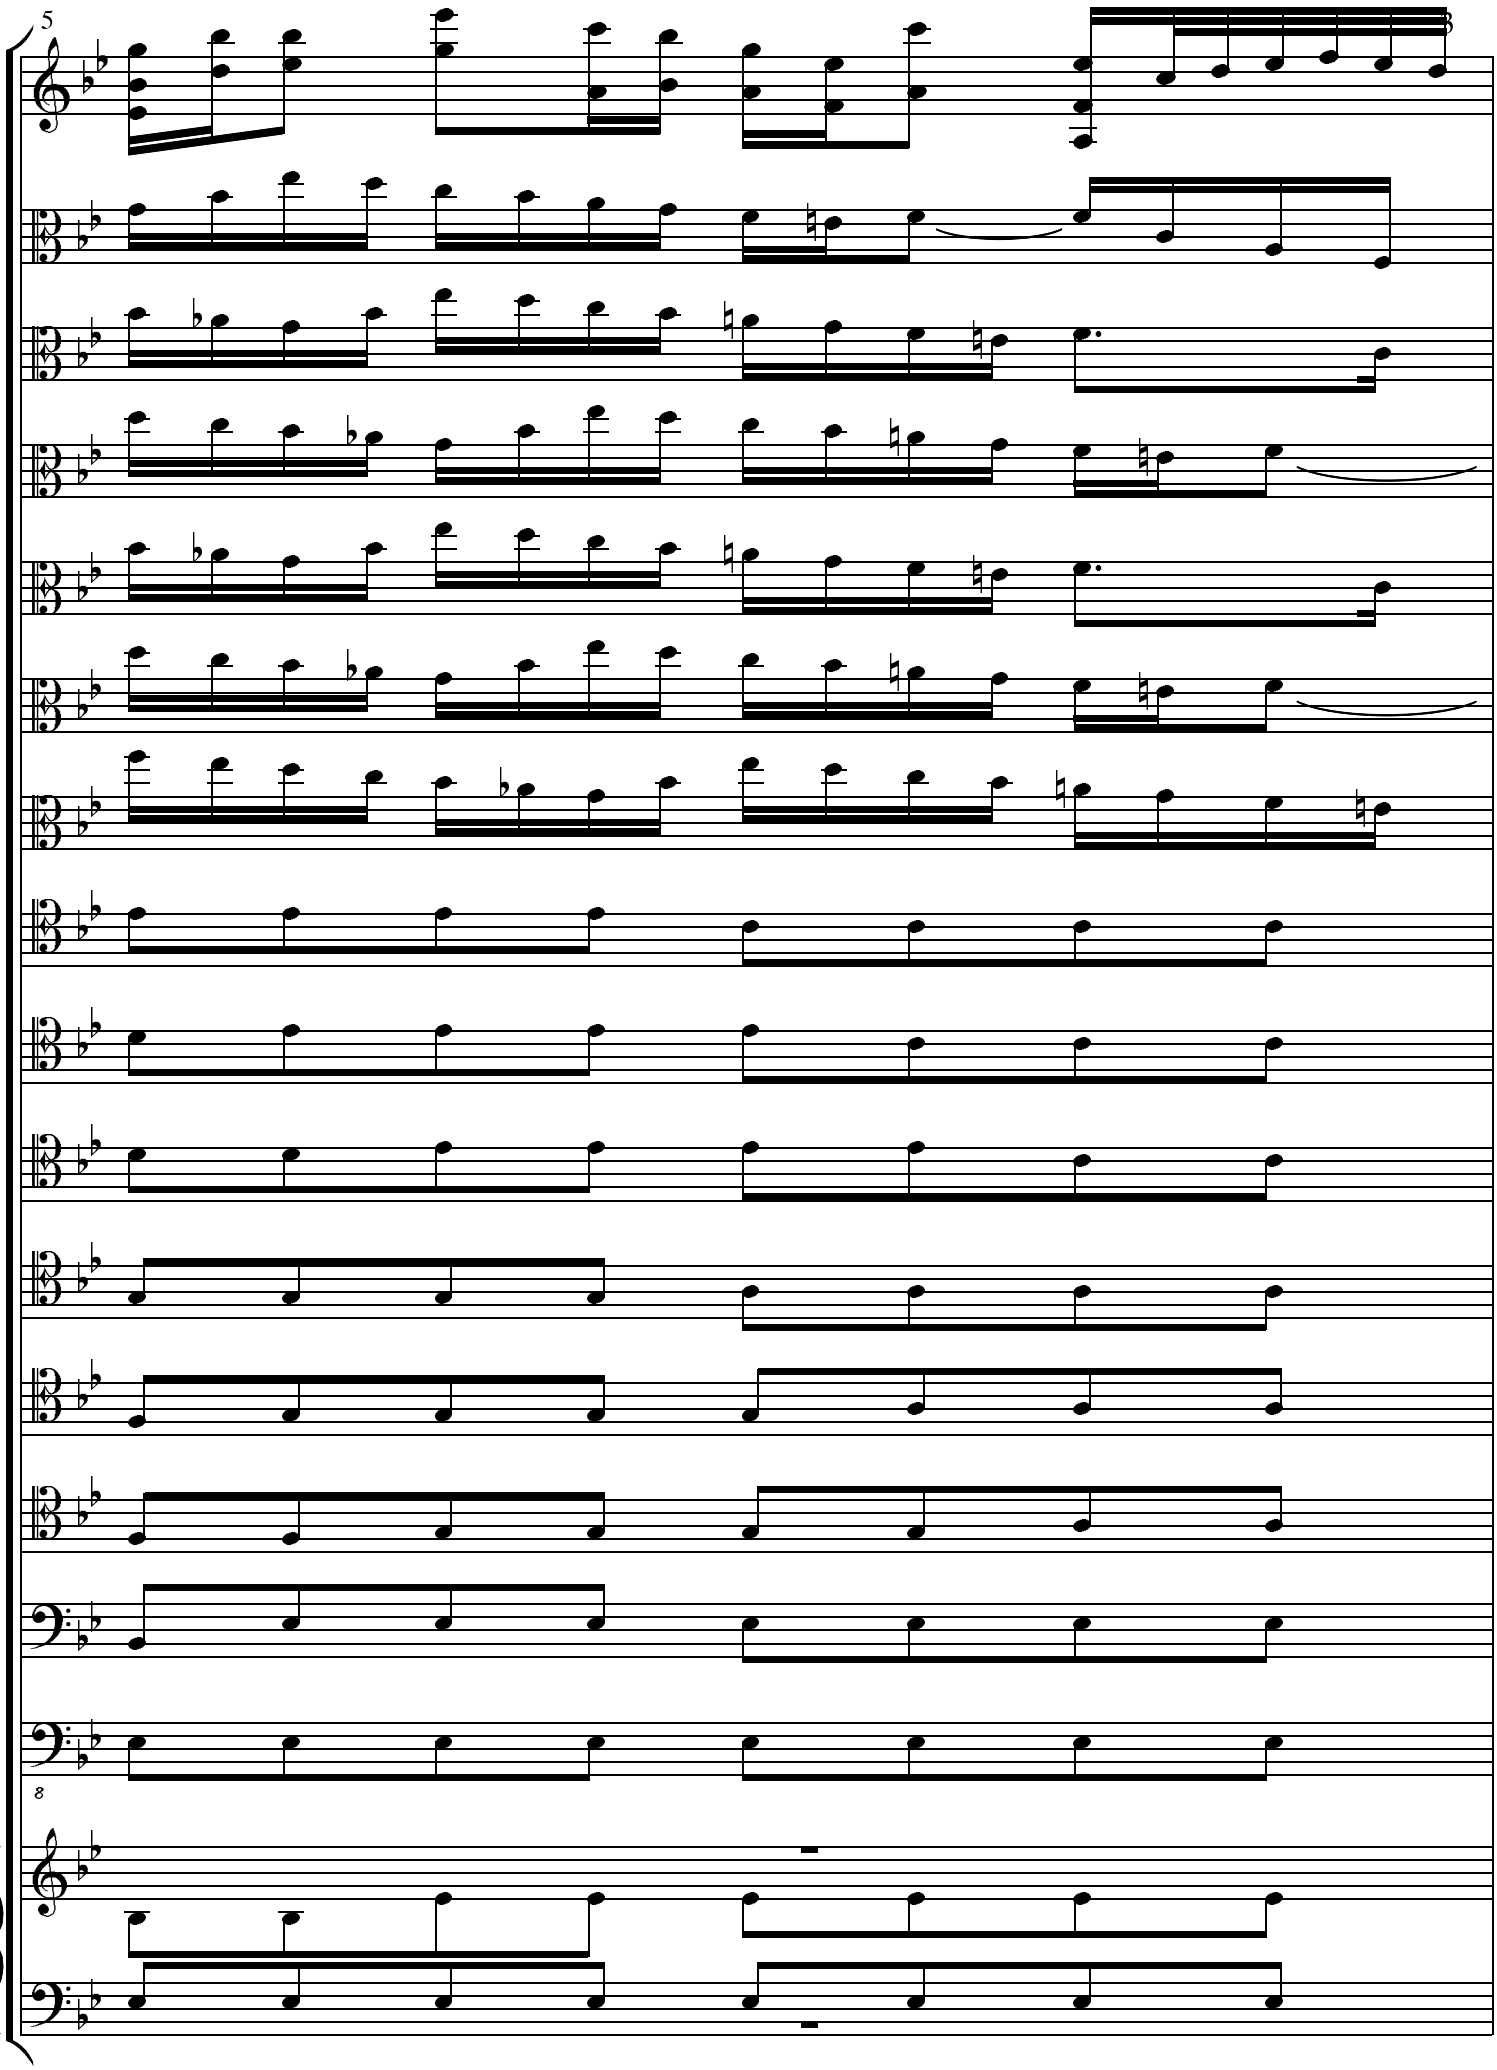

Dieses Metakonzert für Volksgeige entwickelt sich auf den drei Sätzen des sechsten Brandenburgischer mit Erläuterung aller Kanons (sehr schwer aufgrund der drei Celli und unwahrscheinlich, dass es dank der sechs Solobratschen gespielt werden kann). Er bewegt sich zwischen Folk aus verschiedenen Ländern, altem Jazz und einigen klassischen Ausflügen. Eine biografische Anthologie, die auch den Archetyp des Einprägsamen-auswendig gelernt: Spielen Sie es mit der Partitur und mit allen für Jazz und Folk typischen Freiheiten.
